## Recurring Credit/Debit Card Payment **Cancellation** Form

I, \_\_\_\_\_ would like to revoke authorization previously granted to A1 Budget Storage to automatically charge my debit/credit card. This cancels the previously setup monthly subscription permanently. In order to reinstate a new Automated Recurring Billing plan, I understand a new form must be filled out and processed. With this form, my subscription will be cancelled and no further charges will be made to my account as long as this form is received 7 business days prior to my subscription billing date.
